Terms and Conditions

- The guarantee registration form has been correctly completed in full and received at Millenco Hardware Ltd, Sutherland Avenue, Monmore Green, Wolverhampton, West Midlands WV2 2RA within 14 days of the doors being fitted.
- Doors are securely closed, deadlocked with the key and key removed from the cylinder lock.
- Millenco approved locks, hinges, cylinders and keeps are fitted to all doors.
- Millenco security products have been installed and adjusted in accordance to Millenco's installation fitting instructions.
- All fixings which fit the keeps to the PVCu outer frame must be secured into the metal reinforcing 'U' channel.
- All window and door profiles are fully reinforced with metal reinforcement, either aluminium or steel.
- All Millenco security products and moving components (locks, handles and hinges) should be kept free of dirt and should be lubricated twice yearly at equal intervals by the registrant with light machine oil.
- In the unlikely event of a break-in whereby a Millenco protected entrance door have been subject to a manual intervention and forced entry has been gained, the registrant shall immediately contact the registrant's window installer and provide the installer with full details of the forced entry and the relevant crime number issued by the local Police Force within 14 days of the forced entry.
- The registrant's installer in conjunction with the original window and door manufacturer accompanied by a fully qualified Millenco Design Service Engineer will conduct a full investigation.
- If it is established that the doors were manufactured, installed, correctly adjusted and maintained in accordance with Millenco's instructions and service manual, Millenco may make a payment under the guarantee.
- Any guarantee payments shall be made in two parts:
 1. A maximum payment of £500 (five hundred) shall be made to the registrant and,
 2. A payment to a maximum of £500 (five hundred) to the original installer to replace either the damaged window or door.
- Only one claim shall be made per registrant during the guarantee period.
- This security guarantee excludes liability for forced entry or manual intervention through any double doors or French door applications and installations where any fixings for Millenco products are not fixed firmly into steel, including mullion fixings. In addition to this both the master door and slave door must be secured independently with Millenco shootbolts fitted at both the top and bottom of both doors and secured into the keeps.
- The guarantee period shall be for a term of 10 years from the date of the installation of the doors incorporating Millenco's security product and only the original registrant of the guarantee shall be able to enforce the rights under this guarantee.

The Provisions Contract (Rights of the Third Party) at 1999 shall be excluded.

	YES	NO
• Do entrance doors open and close correctly, smoothly without jamming and rubbing on the door frame?	<input type="checkbox"/>	<input type="checkbox"/>
• When entrance doors are open and the locks turned, do all the latches, bolts and hook locks move out of the window/door at least 9mm easily?	<input type="checkbox"/>	<input type="checkbox"/>
• Are the doors including the hardware components free of physical damage (crack, chips etc)?	<input type="checkbox"/>	<input type="checkbox"/>
• Maintenance: All moving components of doors (i.e., handles) must be kept free of dirt and lubricated by the registrant with an appropriate oil based lubricant at twice yearly intervals.	<input type="checkbox"/>	<input type="checkbox"/>
• Millenco 'PROTECTED' is only valid for door hardware correctly fitted, adjusted and maintained in accordance to Millenco's installation instructions.	<input type="checkbox"/>	<input type="checkbox"/>
